Hi, Rob. Sue would like to draft the regulation of political signs again. Would you be able to take care of that? Thanks!

2001 BILL

1 AN ACT *to amend* 12.04 (4) (b) of the statutes; **relating to:** municipal regulation
2 of political signs.

an
Analysis by the Legislative Reference Bureau

Current law generally permits an individual to place a sign containing a political message (political sign) on residential property owned or occupied by that individual during an election campaign period. However, under current law, counties and municipalities may regulate the size, shape, or placement of any political sign that has electrical, mechanical, or audio apparatus, and may regulate any political sign in order to ensure traffic or pedestrian safety. In addition, towns and first, second, and third class cities may regulate the size, shape, or placement of any political sign that is more than 11 square feet in area. This bill expands this latter grant of regulatory authority to apply, in addition, to villages and fourth class cities.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 12.04 (4) (b) of the statutes is amended to read:

4 12.04 (4) (b) In addition to regulation under par. (a), a 1st, 2nd or 3rd class city,
5 or a town, municipality may regulate the size, shape, or placement of a sign

BILL

1 exceeding 11 square feet in area. This paragraph does not apply to a sign which is
2 affixed to a permanent structure and does not extend beyond the perimeter of the
3 structure, if the sign does not obstruct a window, door, fire escape, ventilation shaft,
4 or other area which is required by an applicable building code to remain
5 unobstructed.
